- The customer may elect to extend the Revenue Discount Simplification Plan for one (1) additional 12 month renewal periods by providing written notification at least 60 days prior to the end of the Initial term. The Renewal Revenue Commitment for the Renewal Term will be reset to the lesser of \$30,000,000.00 or an amount equal to fifty percent (50%) of the Customer's total Contributory Charges for the twelve (12) month period ending upon the expiration of the Initial Term, or Renewal Term, if applicable.

Each Measurement Period will include Contributory Charges for services on invoices with bill dates starting with the 25th of the prior month up through the 24th of the current month. All other Measurement Periods will be a calendar month.
- The customer's total Contributory Charges included on invoices with bill dates that occur within a Measurement Period will be included on a Contributory Charges Report provided to the customer.
