

**Cincinnati Bell Telephone LLC**

**Tariff FCC No. 35**

**Transmittal No. 901**

**DESCRIPTION & JUSTIFICATION**

CBT proposes to revise introduce a new rates element in Section 24 – Wavelength Service. This new rate element, 10 Gbps Ethernet Intra-building Connection, allows a customer to cross connect with another customer located within the same building. The service has 12, 24, 36, 48, 60 and 84 month rate options.
