**RE: In the Matter of Access Charge Tariff Filings Introducing Broadband-only Loop Service, WC Docket No. 16-317**

Dear Ms. Dortch:

Ozark Telephone Company, Inc. (Ozark or the Company) (FRN 0004269817) pursuant to the Commission's October 6, 2016 *Order*, submits its Tariff Review Plan (TRP) for offering broadband-only loop service.

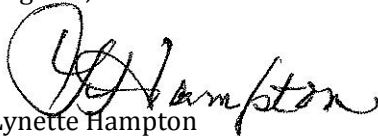

Since Ozark has forecasted no Broadband Only Loops during January through June 2017, the TRP reflects no adjustment to its current TY 2016-2017 CAF ICC Support amount.

This filing is submitted in accordance with the *Order* and contains no revised tariff pages for special access service rate reductions. Therefore, no filing fee is submitted.

Copies of the Ozark TRP are being submitted to the Universal Service Administrative Company ("USAC") and to the appropriate state Commission.

All correspondence and inquiries concerning this filing should be directed to me at the above address or via facsimile to 512-343-0119.

Regards,
