Application No. 333

Secretary  
Federal Communications Commission  
Washington, D.C. 20554

Attention: Wireline Competition Bureau

This Application is hereby made for Special Permission for a waiver of Sections 61.58 and 61.59 of the Commission's Rules to file revisions to the National Exchange Carrier Association, Inc. (NECA) Tariff F.C.C. No. 5, Access Service on less than fifteen days' notice and to revise material that has not been in effect for thirty days.

Pursuant to the Commission's Universal Service Fund reforms for rate of return carriers,<sup>1</sup> companies accepting Alternative Connect America Cost Model or Alaska Plan support (model takers) are required to exit the common line pool, but are permitted to continue participating in NECA's common line (CL) and end user (EU) tariffs. As described in more detail below, NECA is requesting waivers of Sections 61.58 and 61.59 to revise its tariff to implement the model takers' decisions.

On December 19, 2016, NECA filed revisions under Transmittal No. 1503 to establish company-specific Consumer Broadband-Only Loop (CBOL) Charges in Section 17.9. Those revisions became effective January 3, 2017.

NECA is requesting a waiver of Sections 61.58 and 61.59 to enable the removal of the model takers listed in Attachment A who are exiting the common line pool and one or both of NECA's CL and EU tariffs. A grant of the requested waivers will permit NECA to remove the model takers from the listings of companies in the common line and end user tariffs effective February 1, 2017 in order to implement the companies' tariffing decisions permitted under the Commission's Rules.

NECA is also requesting a waiver of Section 61.59 of the Commission's Rules to reduce CBOL Charges for the model takers in Attachment B who are required to charge a CBOL Charge no greater than the cap established in Section 69.132(d) or who voluntarily elected to charge their customers tariffed CBOL Charges lower than the rates currently in effect. A grant of the requested waiver will permit the model takers in Attachment B to charge their customers lower CBOL Charges beginning February 1, 2017.

---

<sup>1</sup> Connect America Fund; ETC Annual Reports and Certifications; Developing a Unified Inter-carrier Compensation Regime; Report and Order and Order on Reconsideration, and Further Notice of Proposed Rulemaking, WC Docket Nos. 10-90 and 14-58 and CC Docket No. 01-92, 31 FCC Rcd 3087 (2016).

In addition, NECA is also requesting a waiver of Section 61.58 of the Commission's Rules to introduce CBOL Charges for the model takers in Attachment C based upon the companies' decisions to accept model based support, participate in NECA's CBOL tariff and charge their customers tariffed CBOL Charges. A grant of the requested waiver will permit the model takers in Attachment C to charge their customers tariffed CBOL Charges beginning February 1, 2017.

NECA is requesting a waiver of Sections 61.58 and 61.59 to enable the removal of the model takers in Attachment D from Section 17.9 of the tariff to implement the companies' decisions to permissively detariff the CBOL Charges or remove the CBOL Charge from the tariff due to a decision to not offer CBOL service at this time. A grant of the requested waivers will permit the model takers in Attachment D to cease charging their customers tariffed CBOL Charges beginning February 1, 2017.

Finally, NECA is requesting a waiver of Sections 61.58 and 61.59 to increase the currently tariffed CBOL Charges for the model takers in Attachment E. A grant of the requested waivers will permit the model takers in Attachment E to begin charging higher tariffed CBOL Charges effective February 1, 2017.

In compliance with Section 61.14 of the Commission's Rules, the application, associated file, required Form 159 and \$925.00 filing fee are being transmitted electronically today via the Commission's Electronic Tariff Filing System.

Please direct all correspondence and inquiries concerning this filing to me at the above address or fax number 973-599-6612.

Sincerely,
