Amended Transmittal No. 907

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
The Portals
445 Twelfth Street S.W.
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Dear Ms. Dortch:

Cincinnati Bell Telephone (CBT) is filing a correction to Transmittal No 907 to submit a revised tariff PDF file containing all of the pages applicable to Transmittal No. 907, which was filed May 15, 2017. The PDF tariff file originally filed in transmittal No. 907 was inadvertently missing pages that were intended to be included in the filing due to a technical error.

CBT is also filing an amended page 371 correcting a typographical error for the reduced monthly rate for a Dedicated Optical Ethernet 100Gbps Unprotected channel.

This Transmittal Letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Questions concerning this filing should be directed to Mike Bishop at the above address, by phone at (513) 397-1231, or by email at mike.bishop@cinbell.com.

Respectfully submitted,

A handwritten signature in blue ink that reads "Michael E. Bishop".
