Washington, DC 20036

This tariff filing is made on a streamlined basis under section 204(a)(3) of the Communications Act of 1934, as amended. It is being filed on 3-days' notice.

June 28, 2017

Transmittal No. 75

Federal Communications Commission  
Office of the Secretary  
445 12<sup>th</sup> Street, S.W.  
12<sup>th</sup> Street Lobby, TW-A325  
Washington, DC 20554

ATTENTION: WIRELINE COMPETITION BUREAU

Dear Secretary:

The accompanying tariff material, issued by Frontier Telephone Companies ("Frontier") and bearing FCC No. 6 is scheduled to become effective on July 1, 2017, no less than 3 days' notice pursuant to section 61.58(a)(3) of the commission's rules as indicated on the following check sheets:

With this filing, Frontier Telephone Companies ("Frontier") proposes to correct an error in its Tandem Switching Rate elements to set the rate at \$0.00000 in FCC 6 (California).

Also with this 3-day rate filing request, Frontier is proposing to correct its originally filed Multiline Business ARC rates in FCC No. 5, FCC No. 6, FCC No. 11, FCC No. 13 and FCC No. 14 as filed under Transmittal No. 74. This is because Frontier has reflected a change required by CFR 51.913(b)(9) to reduce the CALLs base factor on the Eligible Recovery Form down to 90% from 100% for all Frontier Corporation Non-CALLs study areas effective 7/1/17. Frontier originally had 9 of its 97 study areas classified as Non-CALLs study areas. As a result of this change, Frontier is including a revised Eligible Recovery file (FTTC-ER-062817) and all three associated FTTC ARC files (FTTC-ARCNOCAF-062817, FTTC-TRCNOCAF-062817, and FTTC-ICCSUM-062817) with this filing. The net effect of this base percentage change to Frontier's Non-CALLs study areas was to reduce Frontiers Eligible Recovery from \$97.9M as originally filed in Transmittal 74 down to \$96.3M in this transmittal. This reduction in consolidated Frontier Eligible Recovery forced Frontier to reduce our multiline business ARC rate increases down from the original \$1.00 increase in those wire centers where applicable to an increase of \$0.81, thereby reducing expected total company expected ARC revenue from all line types from \$97.8M as originally filed to \$96.3M as filed in this transmittal and updated tariff pages.

In accordance with the Commission's fee filing requirements, a filing fee in the amount of nine hundred twenty-five-dollars (\$925.00), has been paid by credit card and an electronic Form 159 has been submitted.

Frontier Telephone Companies
