## ACCESS SERVICE

USERS GUIDEGeneral

This tariff references the CenturyLink Operating Companies Access Service Tariff F.C.C. No. 11 for its terms and conditions for all Issuing Carriers listed on Title Page 2.1. (T)

Each specific Carrier's rates and charges for all Access Services are shown in Section 17. In the right hand margin of Section, a Tariff Section Reference is shown which references the appropriate tariff section where the application of the rate is located. If an Issuing Carrier does not presently have a rate for one of the elements shown in Section 17, the rate is shown as "Not Applicable" (N/A). Upon receipt of an order by a customer for the service not presently offered, the Issuing Carrier will file with the F.C.C. the appropriate rate information necessary to establish rates.

In Section 17, each Issuing Carrier's rates are shown in a major section such as 17.2 or 17.3, etc. Whenever reference is made in the tariff to a specific rate element in Section 17, the reference will utilize an "#" to signify that the reference refers to each Issuing Carrier's rate for that service.

## Example:

Atkins Telephone Company's rates are all shown in Section 17.25. References to the difference access services would be as follows:

<u>Service</u>	<u>Tariff Reference</u>	<u>Location in Tariff Rate Section</u>
Switched Access Service	17.#.3	17.25.3
Special Access Service	17.#.4	17.25.4

The "#" sign in the paragraph reference signifies that the reference is to each specific company's rates for that type of access service with each specific company having a separate subparagraph number. Each company's subparagraph number is identified in the Table of Contents.
