## SECTION 2 - RULES AND REGULATIONS, (CONT'D)

### 2.10 Billing and Payment for Service (Continued)

#### 2.10.4 Disputed Bills

##### A. Commercial Customers

If Customer fails to make any payment under this Agreement when due, then, in addition to such sum and without prejudice to any other rights and remedies that the Company may have, Customer shall pay interest on such unpaid amount at the Interest Rate until such sum is paid in full and interest shall accrue both before and after judgment. Customer must bring any payment dispute to the Company's attention within thirty (30) days of invoice, providing sufficient detail and documentation to support the dispute. No interest shall accrue on any payment that is disputed in good faith by Customer while such dispute is pending. Notwithstanding the foregoing, if such dispute is later resolved in favor of the Company, such amount shall bear interest from the date when due until paid at the Interest Rate. If such dispute is resolved in favor of Customer, any and all disputed amounts paid by Customer shall be credited to Customer's account.

##### B. Residential Customer (Bulk)

If Association in good faith disputes any charges, it shall: (i) timely pay all undisputed charges, within ten (10) days of the invoice date; and (ii) give Company written notice of the disputed amount(s) and written documentation of the reason(s) therefore or any such dispute shall be deemed waived. Any amounts that are determined by Company to be in error or not in compliance with this Agreement will be adjusted on the next month's invoice following such determination. Any disputed amounts that in good faith and supported by reasonable documentation are deemed by Company, after informal negotiation with Association, to be correct as billed and in compliance with this Agreement, will be due and payable by Association upon notification and demand by Company, but Association retains all rights and remedies available in law and equity to resolve the dispute.

##### C. Residential Customers (Take)

Subject to applicable law, if you intend to dispute a charge or request a billing credit, you must contact the Company within sixty (60) days of the date on the bill. You waive any disputes or credits that you do not report within sixty (60) days. The Company may agree to provide billing services on behalf of third parties, as the agent of the third party. Any such third-party charges shall be payable pursuant to any contract or other arrangement between you and the third party. We will not be responsible for any dispute regarding these charges between you and any third party. You must address all such disputes directly with the third party.
