**Re: Eschelon Telecom, Inc.  
FRN # 0010289114  
Revision to Tariff FCC No. 1.**

Dear Ms. Dortch:

Please find attached revisions to Tariff FCC No. 1, interstate access services, of Eschelon Telecom, Inc. ("Eschelon"). This filing is made pursuant to 47 C.F.R. § 61.58(2)(i), and is filed on fifteen (15) days' notice, with an issue date of July 14, 2017 and an effective date of July 29, 2017. It consists of the following revised pages:

61	26

With this filing, Eschelon complies with the requirements set forth by the Federal Communications Commission's Order FCC No. 11-161 (released on November 18, 2011) and Rule 47 C.F.R. § 61.26 "Tariffing of competitive interstate switched exchange access services." To comply with this rule, Eschelon is benchmarking its end office terminating switched access rates to the levels of the corresponding dominant incumbent local exchange carrier's rates.

Eschelon is a non-dominant carrier and, therefore, cost support documentation under 47 C.F.R. § 61.38 of the Commission's Rules is not required.

Payment has been submitted through the Electronic Tariff Filing System. If you have any questions about these revisions, please contact me.

Respectfully submitted,

Douglas Denney
