With this filing, NBTC proposes to modify certain tariff provisions related to its Special Access Services as required by the Commission in its FCC Order No. 17-43 (the “*Order*”), released April 28, 2017.

The following tariff modifications are proposed with this filing:

- New terms are being introduced to classify counties as Competitive and Non-Competitive as designated in the *Order*.
- New Rate Regulations are being introduced for Special Access Services providing that Price-Flex rates will apply to all rate elements for new service arrangements, excluding those for End User channel terminations and their optional features in Non-Competitive Counties for which Price-Cap rates will continue to apply.
- Footnotes will specify that optional features for End User channel terminations includes all optional features in Section 7.5, except for the Transfer Arrangement.
