Application No. 10

Ms. Marlene H. Dortch, FCC Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743

Attn: Wireline Competition Bureau

On November 16, 2017, The FairPoint Telephone Companies. ("FairPoint") filed Transmittal No. 65, revising certain Special Access rates in FCC Tariff No. 1 and FCC Tariff No. 2. This filing was submitted on 15 days' notice, with an effective date of December 1, 2017.

An error was discovered in the supporting calculations impacting three of the revised rates in FCC Tariff No. 1. Specifically, the GDP-PI contained in the PCI-1 form was inadvertently keyed in as .015385%, instead of 1.5385%. This resulted in incorrect rate reduction application in FCC Tariff No. 1 for the DS1 and DS3 end user channel terminations in non-competitive counties listed on page 31-120 through 31-122. No rates were impacted in FCC Tariff No. 2. Fairpoint requires special permission to revise the incorrect rates in a subsequent transmittal and submit TRP forms which are impacted by the correction.

Application is hereby made by FairPoint for Special Permission to waive the requirements of 61.59. A waiver is requested in order to file revisions to the affected rates in FCC Tariff No. 1 on 15 days' notice, with an effective date of December 5, 2017. Illustrative tariff pages and a sample of the corrected TRP forms are attached hereto.

All correspondence and inquiries concerning this Application should be addressed to Sharon Thomas at 407-740-3031 or stthomas@tminc.com, P.O. Box 200, Winter Park, Florida 32790-0200.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to stthomas@tminc.com. Thank you for your assistance in this matter.

Sincerely,

/s/Sharon Thomas
