Dear Secretary Dortch:

In compliance with the Communications Act of 1934, as amended, attached for filing please find Mid-Maine Telplus LLC's ("MMTP") proposed revisions to Interstate Tariff F.C.C. No. 1, which carries a proposed effective date of July 31, 2018.

This filing is made pursuant to the Federal Communications Commission's USF/ICC Transformation Order ("Order"), which orders CLECs interstate rate levels to not exceed rates in the territories in which they compete. Therefore, MMTP has reduced its End Office Terminating rate from \$0.00070 to \$0.00000.

In compliance with Section 61.14 of the Commission's Rules, the transmittal letter, associated files, and the filing fee are being transmitted electronically today via the Commission's Electronic Tariff Filing System.
