Re: T3 Communications, Inc. Tariff Advice Letter No. 4

Dear Ms. Dortch:

T3 Communications, Inc.'s ("T3") submits to the Commission revised Page Nos. 2., 46.1, 47.1 and 48.1 to T3's interstate switched exchange access tariff, FCC Tariff No. 2. With this submission, T3 incorporates third party terminating services available to interconnecting carriers in the Company's service territory. These services were inadvertently excluded from the Company's August 16, 2018 submission. Service rates are set at parity with the incumbent local exchange carrier's corresponding service rates for each rate element, when provided in the incumbent local exchange carrier's local service territory.

Thank you for your attention to this matter. Questions concerning this filing may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
