Attn: Wireline Competition Bureau

RE: Spencer Municipal Communications Utility F.C.C. No. 1., Transmittal No. 2

Dear Ms. Dortch:

The accompanying tariff material, issued on behalf of our client Spencer Municipal Communications Utility (FRN: 0002561884, "Spencer"), bearing "FCC No. 1, Access Service," is being sent to you for filing in compliance with the Communications Act of 1934, as amended, to become effective September 3, 2019. The filing modifies Section 6 (Switched Access Service) to remove references to the local access and transport area that are not relevant to Spencer's services. The filing also removes Section 9.3.3 (Presubscription), which has had no customers and no reasonable requests for service for at least the immediately preceding 30 days. It also updates the address for Spencer shown in the footer to its current address.

In compliance with Section 61.14 of the Commission's Rules, the transmittal, FCC Form 159 and the statutory processing fee are being sent via the Commission's Electronic Tariff Filing System. If you have any questions, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Salvatore Taillefer, Jr.", written in a cursive style.
