ACCESS SERVICES TARIFF

SECTION 5 - MISCELLANEOUS SERVICES AND CHARGES

5.1 [Reserved for Future Use]

5.2 Regulatory Administrative Fee

The Regulatory Administrative Fee (RAF) is a monthly charge per line assessed to the end user for costs associated with regulatory advocacy and compliance, including administrative costs, tariff maintenance, mandatory reporting to the FCC, state commissions and departments of Commerce and Revenue; maintenance, and administration of federally mandated taxes and surcharges, administration of taxes and surcharges mandated by federal, state, or local governments, including E-911. The RAF also covers increased wholesale costs.

SECTION 5 - MISCELLANEOUS SERVICES AND CHARGES, (CONT'D.)

5.4 End User Common Line Charge

The Company recovers some of the costs of the telephone line or trunk connected to the customer's premises through a monthly charge called the End User Access Charge. The End User Access Charge is a monthly, flat-rated charge assessed to end users for each local exchange service line or (comparable last-mile connection) trunk. The End User Access Charge will be based on a monthly snapshot of end user accounts. No fractional debits or credits will be issued.

ACCESS SERVICES TARIFF

SECTION 5 - MISCELLANEOUS SERVICES AND CHARGES, (CONT'D.)

5.10 Account Maintenance Fee

The Account Maintenance Fee is a monthly charge per account assessed to the end user for costs associated with activation and maintaining a customer's account. This fee covers the cost related to the setup of customers account and ongoing account billing and maintenance.

Per Account, Per Month \$8.00 (I)

5.11 Paper Invoice Fee

Customers will be given the option to select electronic bill receipt through the Internet on a non-discriminatory basis. Customers who do not elect to receive offered electronic billing will be subject to a paper invoice fee.

Per Account, Per Month \$5.00 (I)

5.12 National Access Fee (NAF)

The National Access Fee (NAF) is assessed to recover the Company's costs of access to various local exchange carrier networks nationwide. The Company will assess the NAF through a flat-rated, monthly end-user charge assessed per each local exchange service line (or comparable last-mile connection) or trunk. For end users who have chosen the Company as a presubscribed interexchange carrier, the Company will assess the NAF based on line type as described. The Company will make every effort to determine Customer line type in order to assess NAF. As the Company may not have information regarding customer line type, the Customer is ultimately responsible for ensuring the Company is aware of the pertinent line type for NAF assessment purposes. NACF does not apply to customers who purchase Company services via a wholesale offering and resell those services for their use.
