The accompanying tariff material, issued by Teliax Colorado, LLC and bearing Tariff FCC No. 1, effective May 8, 2021, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended. This filing is made on fifteen (15) days' notice. The purpose of this transmittal is to enable IXCs to connect with Teliax's tandem using SIP connections and to use those interconnection points to exchange traffic with end offices in one or more LATA. The revised tariff includes language detailing how the pricing will apply when using such interconnections, on a per minute of use basis, in a manner that prevents jurisdictional arbitrage and also adds new ILEC areas and rates. This filing consists of tariff pages indicated by the check sheet(s) listed below:
