The accompanying tariff material, issued on behalf of GCI Communication Corp. ("GCICC") and bearing Tariff F.C.C. No. 3, Access Service, is sent to you for filing in compliance with the Communications Act of 1934, as amended.

The Access Service tariff filing is to become effective October 1, 2021 and consists of the tariff pages as indicated on the following check sheet. The filing changes the Federal Universal Service Contribution (FUSC) to reflect the updated universal service contribution factor for the fourth quarter 2021 based on the FCC's Public Notice released September 10, 2021.¹ This filing also reduces some Multiline Business End-User Common Line (EUCL) rates to reflect reductions filed by the Incumbent Local Exchange Carrier.

In compliance with Section 61.14 of the Commission's Rules, the transmittal, associated files, required Form 159 and \$960.00 filing fee are being transmitted electronically today via the Commission's Electronic Tariff Filing System. All correspondence and inquiries concerning this filing should be addressed to:
