

Tina Bobbyn
Assistant Vice President

February 4, 2000

CFW Telephone Inc.
401 Spring Lane
Waynesboro, VA 22980

Secretary
Federal Communications Commission
The Portals
445 Twelfth Street SW
Washington, D.C. 20554

ATTENTION: COMMON CARRIER BUREAU

This complete base document includes all changes that occurred through January 1, 2000 in the CFW Telephone Inc. tariff.

This filing was made to revise the local switching rate element due to NECA's recent reduction to the Local Switching Support amounts for average schedule companies.
