The accompanying tariff issued by Somos, Inc., and bearing F.C.C. No. 1, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended. Check Sheet No.  
12th Revised Page 1

With this filing, Somos, Inc. proposes to revise certain rates and charges to reflect upcoming demand and expenses which reflect the platform modernization that Somos has completed. This filing also updates dates and version numbers for technical references to be available as of the filing date, the decommission of the WBA and MGI interfaces, discontinuance of some related rate elements, and adding Juneteenth as national holiday.

Supporting material pursuant to § 61.38 of the Federal Communications Commission's Rules and Regulations is submitted herewith.

Pursuant to 47 C.F.R. § 0.457 of the Commission's Rules, Somos requests confidential treatment for the following workpapers which are included with this tariff transmittal:

- Table 2A: SMS/800 TFN Registry - Revenue Requirement Detail (Confidential)
- Table 2B: SMS/800 TFN Registry - Resp Org Revenue (Confidential)
- Table 7: SMS/800 TFN Registry - Expense Summary (Confidential)

These workpapers have been marked "CONFIDENTIAL-PROPRIETARY Non-Public Financial Information in Support of Tariff Filing. Not for Public Disclosure." because they contain competitively sensitive information. Each workpaper qualifies for protection and non-

disclosure under Subsection (d) of § 0.457 (“Trade secrets and commercial or financial information...not routinely available for public inspection”). If the F.C.C. does not agree that these workpapers are covered under § 0.457(d), then Somos requests that this document be withheld from public inspection pursuant to 47 C.F.R. § 0.459. Somos believes that it would suffer substantial competitive harm if these workpapers were released to the general public. If the F.C.C. denies this request for confidential treatment under the Standard Protective Order and Declaration for use in § 402(b) Streamlined LEC Tariff Proceedings, then Somos requests, pursuant to § 0.459(e), that the workpapers be returned.

In accordance with § 61.14, this Transmittal Letter and associated attachments are being filed today via the Federal Communications Commission’s Electronic Tariff Filing System (ETFS) in compliance with the electronic filing procedures.
