Transmittal No. 1046 Amended

Secretary  
Federal Communications Commission  
445 12th Street, SW, TW-A325  
Washington, DC 20554

Attention: Common Carrier Bureau

The accompanying tariff material, issued on behalf of U S WEST Communications, Inc., d/b/a U S WEST Communications (USWC), and bearing Tariff F.C.C. No. 5, effective as reflected on the attached tariff pages, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended.

This filing is being made by USWC in its Tariff F.C.C. No. 5, to amend Transmittal No. 1046 to electronically refile tariff material that was previously filed electronically on February 10, 2000 to become effective February 25, 2000. Under authority of Special Permission No. 00-007, USWC electronically filed its Transmittal No. 1046 with the FCC's Electronic Tariff Filing System (ETFS) at the Central Remote location. For some reason, Transmittal No. 1046 did not appear in the ETFS even though USWC had received a receipt for the filing. Therefore, USWC is amending Transmittal No. 1046 at this time to reenter the original tariff material into the ETFS. Included with this Amendment to Transmittal No. 1046 is a copy of the receipt received by USWC for the original Transmittal 1046 filing, and all the material previously filed with Transmittal 1046 including the Transmittal Letter, the Part I Check Sheets and Tariff Pages and the Part II Check Sheets. Transmittal No. 1046 was filed with an effective date of February 25, 2000, this Amendment retains that same effective date.

Supporting information discussed under Section 61.38 or 61.49 of the Commission's Rules is not required to make this filing.

All correspondence and inquiries in connection with this filing, including service copies of petitions, should be directed to:
