TRANSMITTAL No. 11

Secretary, Federal Communications Commission
Washington, DC 20554
ATTN: Wireline Competition Bureau

The accompanying tariff material, issued by Teliax Colorado, LLC and bearing Tariff FCC No. 1, effective July 1, 2022, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended. This filing is made on fifteen (15) days' notice. This filing is made to sequence the reduction of 8YY-related charges in alignment with guidance provided in a Public Notice issued last month by the Wireline Competition Bureau (Bureau) on May 17, 2022, DA 22-542. In that Public Notice, the Bureau encouraged competitive LECs to make necessary filings reducing interstate toll free (8YY) originating end office service rates and database query charge "after the competing incumbent LEC's interstate access charge tariffs become effective on July 1, 2022." This tariff filing accordingly removes previously scheduled changes in those charges. To be clear, the Company will file a revised tariff on or before July 18, 2022, to reflect reductions in both originating end office service rates and database query charges to the *lower* of the applicable rate mandated by Section 51.907(j) of the Commission's rules or the competing incumbent LEC rate. This filing consists of tariff pages indicated by the check sheet(s) listed below:

Tariff FCC No. 1 – 10th Revised Page 1 (Access)

This transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS). Payment in the amount of \$930.00 has been electronically transmitted to the U.S. Bank in St. Louis, Missouri in accordance with the fee program procedures.
