Application for Special Permission 1

Clear Rate Communications, LLC
2600 W. Big Beaver Rd. Suite 450
Troy, MI 48084

FRN: 0032049850

Secretary, Federal Communications Commission
Washington, DC 20554
ATTN: Wireline Competition Bureau

Application is hereby made by Clear Rate Communications, LLC for Special Permission to waive the requirements of § 61.171 that a reissued tariff must contain all original pages without changes in regulations or rates. The Company proposes to submit, in one filing, a name change filing, in which the Company is changing its name from Clear Rate Communications, Inc. to Clear Rate Communications, LLC, along with rate changes to comply with the FCC's ongoing intercarrier compensation reform orders (e.g., FCC 11-161, FCC 20-143). Since these are rate changes prescribed by Commission Orders, good cause exists to waive the requirement to separate the name change and the well-understood rate compliance filings. The pages impacted by these rate changes are 111-114, 116, 117, and 119. All changes have been coded as appropriate. No other changes have been made to the tariff.

Copies of illustrative tariff pages are attached.

In compliance with the Commission's rules, the application and \$375.00 filing fee are being transmitted electronically today via the Commission's Electronic Tariff Filing System.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3006 or via email to croesel@inteserra.com. Thank you for your assistance in this matter.

Sincerely,

/s/ Carey Roesel
