SECTION 2 - RULES AND REGULATIONS (Cont'd)

---

## 2.4 PAYMENT FOR SERVICE RENDERED (Cont'd)

2.4.3 The Company reserves the right to assess a charge of \$25.00 whenever a check or draft presented for payment of service is not accepted by the institution upon which it is written. The foregoing shall not limit the Company's right to discontinue service for returned checks or drafts under Section 2.9.1 below.

## 2.4.4 Application of Late Payment Charge

- A. Late payment charges do not apply to final accounts.
- B. Late payment charges do not apply to Federal Government Agencies of the United States. These agencies are required to make payment in accordance with the Federal Finance Laws.
- C. Customer bills are due on the due date specified on the bill. A customer is in default unless payment is made on or before the due date specified on the bill. If payment is not received by the due date on invoice, a late payment charge of 1.5% will be applied to all amounts previously billed under this Tariff, including arrears and unpaid late payment charges.
- D. Late payment charges do not apply to those portions (and only those portions) of unpaid balances that are associated with disputed amounts. Undisputed amounts on the same bill are subject to late payment charges if unpaid and carried forward to the next bill.

2.4.5 All bills are presumed accurate, and shall be binding on the Customer, and such Customer shall be deemed to have waived the right to dispute the charges unless written notice of the disputed charge(s) is received by the Company within two (2) years of the invoice date listed on the bill. To be effective, the written notice of the dispute must contain sufficient information to enable the Company to investigate the dispute, including the account number under which the bill has been rendered, the date of the bill, and the specific items on the bill being disputed.

(C)

2.4.6 If Company initiates legal proceedings to collect any amount due hereunder and the Company substantially prevails in such proceedings, then the Customer shall pay all reasonable attorneys' fees and costs incurred by the Company in prosecuting such proceedings and any appeals there from.
