### Application for Special Permission 1

Secretary, Federal Communications Commission

ATTN: Wireline Competition Bureau

Application is hereby made by Lingo Telecom, LLC ("Company") for Special Permission to waive the requirements of § 61.171 that a reissued tariff must contain all original pages without changes in regulations or rates. The Company proposes to submit, in one filing, a replacement tariff for Matrix Telecom, Inc. Tariff No. 1 to reflect a change in Company name from Matrix Telecom, Inc. to Lingo Telecom, LLC along with rate changes to comply with the FCC's ongoing intercarrier compensation reform orders (e.g., FCC 11-161, FCC 20-143). Since these are rate changes prescribed by Commission Orders, good cause exists to waive the requirement to separate the name change and the well-understood rate compliance filings. The pages impacted by these rate changes are Pages 52-79 and are coded. No other changes have been made to the tariff except to update the Company name and repaginate as necessary.

Copies of illustrative tariff pages are attached.

In compliance with the Commission's rules, this Application and the \$375.00 filing fee are being transmitted electronically today via the Commission's Electronic Tariff Filing System.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3006 or via email to croesel@inteserra.com. Thank you for your assistance in this matter.

Sincerely,

/s/ Carey Roesel
