Re: Lingo Telecom, LLC, Application for Special Permission No. 1

Dear Mr. Roesel:

The Wireline Competition Bureau has determined that a grant of the above-referenced application is justified. This grant will enable you to file the tariff material, as requested. For this purpose, we assign Special Permission No. 22-005 and waive 47 CFR §§61.171.

The grant does not constitute approval by the Commission or the Chief, Wireline Competition Bureau, of the proposed filing and does not prejudice any subsequent action that the Commission or Bureau may take.

Sincerely,

A handwritten signature in black ink, appearing to be "Gil M. Strobel", with a long horizontal flourish extending to the right.

Gil M. Strobel
Chief, Pricing Policy Division
