FRN: 0014485163  
TRANSMITTAL No. 6 - Amended

Secretary, Federal Communications Commission  
Washington, DC 20554  
ATTN: Wireline Competition Bureau

The accompanying tariff material, issued by Intrado Communications, LLC and bearing Tariff FCC No. 1, effective August 2, 2022, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended. This filing is made to show 1) the 8YY and non-8YY end office switched access rates for the Kentucky AT&T service area and 2) the reduction of 8YY end office switched access CTP rate for the Michigan Frontier service area inadvertently omitted in the original filing submitted on July 18, 2022. Additionally, it corrects end office switched access benchmarking for Kansas service areas. The material contained in this filing consists of tariff pages indicated by the check sheet(s) listed below:

Tariff FCC No. 1 – 5<sup>th</sup> Revised Page 1

This transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Supporting material is not required with this filing. Petitions pertaining to this filing may be served in person or by facsimile to:
