Via ETFS Transmittal No. 14

Secretary
Federal Communications Commission
Washington, DC 20554

Re: Electric Lightwave, LLC
FRN # 0015577745
Revision to Tariff FCC No. 2.

Please find attached revisions to Tariff FCC No. 2, interstate access services, of Electric Lightwave, LLC. This filing corrects a charge that had been revised as part of the company’s July 2022 8YY Access Service reduction filing (Transmittal No. 13), as mandated in the Federal Communications Commission's October 9, 2020 Report and Order in WC Docket No. 18-156, (FCC 20-143), (8YY Access Charge Reform).

This filing corrects the 800 Carrier Identification Charge to properly benchmark the rate to the corresponding dominant incumbent local exchange carrier’s rate (pursuant to 47 C.F.R. §61.26(c)) and is filed on fifteen (15) days’ notice with an issue date of October 28, 2022 and an effective date of November 12, 2022. It consists of the following revised pages:

| <u>Page</u> | <u>Revision</u> |
|-------------|-----------------|
| 2 | 13 |
| 60 | 8 |

Electric Lightwave, LLC is a non-dominant carrier and, therefore, cost support documentation under 47 C.F.R. § 61.38 of the Commission’s Rules is not required. Payment will be submitted through the CORES payment system. Please contact me with any questions about these revisions.

Respectfully submitted,

Douglas Denney
