SPECIAL CONSTRUCTION**1. Application of Tariff**

This tariff contains regulations, rates, charges and liabilities applicable for the Special Construction of interstate facilities provided to customers by the following Ameritech Operating Companies: Illinois Bell Telephone Company, LLC, Indiana Bell Telephone Company, LLC, Michigan Bell Telephone Company, The Ohio Bell Telephone Company, LLC, and Wisconsin Bell, LLC, hereinafter referred to as the Telephone Company. (Dx)

When special construction of facilities is required, the provisions of this tariff apply in addition to all regulations, rates and charges set fourth in the appropriate service tariff of the Telephone Company.

2. Regulations**2.1 Filing of Charges**

Rates, charges and liabilities for special construction to provide facilities for use for one month or more are filed in Section 3, 4, 5, 6, and 7 following, as appropriate.

Rates, charges and liabilities for the construction of facilities for use for less than one month are filled in supplements to this tariff.

2.2 Ownership of Facilities

The Telephone Company providing specially constructed facilities under the provisions of this tariff retains ownership of all such facilities.

2.3 Interval to Provide Facilities

Based on available information and the type of service ordered, the Telephone Company will establish a completion date for the specially constructed facilities. If the scheduled completion date cannot be met due to circumstances beyond the control of the Telephone Company, a new completion date will be established and the customer will be notified.

2.4 Special Construction Involving Both Interstate and Intrastate Facilities

When special construction involves facilities to be used to provide both interstate and intrastate services, charges for the portion of the construction used to provide interstate service shall be in accordance with this tariff. Charges for the portion of the construction used to provide intrastate service shall be in accordance with the appropriate intrastate tariff.

SPECIAL CONSTRUCTION**5. Michigan Bell Special Construction Cases (Cont'd)****5.2 Special Construction Cases Transferred from American Telephone and Telegraph Company, Long Lines Department Tariff F.C.C. No. 262****5.2.1 Charges for the State of Michigan**

This section contains the Michigan Bell Telephone Company portion of special construction cases providing permanent facilities in accordance with the regulations contained in American Telephone and Telegraph Company, Long Lines Department Tariff F.C.C. No. 262, Special Construction, prior to May 25, 1984. These cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the exception of maximum termination liability period for special construction cases transferred from Tariff F.C.C. No. 262 shall retain a liability period as specified in Tariff F.C.C. No. 262. In addition, instead of underutilization liability based on costs, when there is a partial discontinuance of service on specially constructed facilities, the charge for only the rate elements containing the specially constructed facilities, as contained in the appropriate service tariff, will apply during the unexpired portion of the maximum termination liability period. For purposes of determining this charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates. (Dx)
