### Request for Confidential Treatment

NECA seeks confidential treatment under the *2024 Protective Order* designated for use in this proceeding<sup>5</sup> for the data provided in the files identified below. This data is filed electronically via ETFS as part of the Tariff Review Plan for NECA's Tariff F.C.C. No. 6 BDS Access Charge filing, made under Transmittal No. 1722. This data is required by the Commission to monitor rate of return exchange carrier compliance with incentive regulation rules for BDS electing carriers.<sup>6</sup>

Pursuant to the terms of the *2024 Protective Order*, signed declarations requesting access to the confidential information should be sent to the attention of Susan Boylan, NECA Senior Director Access Tariff Cost Development, via email to [Tariff6@neca.org](mailto:Tariff6@neca.org) or via facsimile at 973.599.6612. NECA will provide an electronic copy of the un-redacted files to Authorized Representative(s).<sup>7</sup> NECA designates 60 Columbia Road, Building A – 2<sup>nd</sup> Floor, Morristown, NJ 07960 and 1325 G Street, NW, Suite 500, Washington, DC 20005 as its public inspection locations.

Notwithstanding the *2024 Protective Order*, the information provided in the files listed below is entitled to confidential, non-public treatment under the Freedom of Information Act (FOIA) and related provisions of the Commission's rules.<sup>8</sup> The information satisfies the requirement of FOIA Exemption 4 (trade secrets or commercial/financial information).

- TRPBDS\_Townes\_Confidential.xlsx
- TRPBDS\_Wilkes\_Confidential.xlsx

- Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission:

This information is filed electronically via ETFS in conjunction with NECA Tariff F.C.C. No. 6 BDS Access Charge Filing, Transmittal No. 1722 in WC Docket No. 24-41.

- Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged:

The information in the files contains sensitive study area-specific information for NECA Tariff No. 6 participants as required by Commission rules for monitoring compliance with the BDS incentive pricing model. At the study area and exchange level, the information is granular and highly confidential to the reporting Tariff No. 6 participants. The financial data is treated as a confidential trade secret by Tariff No. 6 participants.

- Explanation of the degree to which the information concerns a service that is subject to competition:

Rural telephone service has historically lent itself to “cherry picking” by competitors that choose to serve only the low-cost areas within a study area. Detailed information about revenues, expenses, and demand may help prospective competitors to gain insight to the participating Telephone Companies’ market strategies and gain competitive advantage.

- Identification of any measures taken by the submitting party to prevent unauthorized disclosure:

The information provided in the files is maintained on a confidential basis and made available only to NECA representatives on a need-to-know basis. Any public information is only made available on an aggregate basis.

- Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties:

The information in the identified files is not publicly available.

- Justification of the period during which the submitting party asserts that material should not be available for public disclosure:

NECA requests that all Tariff No. 6 participant data provided in the TRP files identified above be treated as confidential indefinitely. Because of the sensitive nature of the data, it would not be appropriate for public disclosure at any time in the foreseeable future.

The *2024 Protective Order* places additional requirements on Authorized Representative(s) to destroy or return all confidential information, as well as copies and derivative materials, within two weeks after final resolution of this proceeding.<sup>9</sup>

---

<sup>9</sup> See *2024 Protective Order*, ¶ 18.

- Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted:

NECA is submitting this information on behalf of the Telephone Companies that participate in NECA's Tariff No. 6. The Commission should take care to not deprive those Telephone Companies of the opportunity to speak for themselves in the event of a FOIA request for access to data. NECA requests that the Commission notify carriers of any FOIA request and allow them to be given a reasonable opportunity to file detailed information supporting continued confidential treatment of their respective data.

Accordingly, NECA requests confidential treatment of the Tariff No. 6 participant data provided in the files identified above pursuant to section 0.457 and 0.459 of the Commission's rules and paragraph 2 of the *2024 Protective Order*. Pursuant to the *2024 Protective Order*, NECA has marked each page of the non-redacted version of the identified files as follows:

**CONTAINS PRIVILEGED AND CONFIDENTIAL INFORMATION – DO NOT  
RELEASE (PER DA 24-509 PROTECTIVE ORDER)**

NECA has also complied with the requirement of the *Protective Order* for providing a redacted copy of the files identified above, which are marked: **REDACTED – FOR PUBLIC INSPECTION**.
