Application No. 138

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
45 L Street N.E.  
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Dear Ms. Dortch,

This application is hereby made by Cincinnati Bell Telephone (CBT) to waive Sections 61.58 and 61.59 of the Commission's Rules to withdraw Transmittal No. 947 without it becoming effective.

On July 8, 2024 CBT filed Transmittal No. 947 which is scheduled to become effective on July 23, 2024 proposing the addition of a footnote indicating the grandfathering of voice grade and high capacity services

With this application, CBT respectfully requests permission to waive Sections 61.58 and 61.59 of the Commission's Rules in order to withdraw the Tariff material filed under Transmittal No. 947 without it becoming effective, and to restore currently effective material.

A waiver of Section 61.58 is requested to permit the revisions of tariff material to become effective on not less than one (1) days' notice. A waiver of Section 61.59 is requested to permit revisions to Tariff material that is not yet in effect. CBT wishes to withdraw Transmittal No. 947 because CBT has since learned it has not received final FCC regulatory approval to grandfather legacy services as applied for in CBT's Application for Authority under section 214(a) of the Communications Act and Section 63.71 for the Commission's Rules to Grandfather Legacy Services, WC Docket No. 24-124.

In accordance with Section 61.14, this application letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariffing System (ETFS) in compliance with the electronic filing procedures.
