Re: Verizon Petition for Pricing Flexibility for Special Access and  
Dedicated Transport Services CCB/CPD File No. 00-24.

Dear Ms. Salas:

Verizon hereby refiles its Reply Comments on its Petition for Pricing Flexibility for Special Access and Dedicated Transport Services in CCB/CPD File No. 00-24. Yesterday, we attempted to file using the ETFS system, however, the system did not allow us to file proprietary material. Instead, we filed, on a timely basis, both the public and proprietary versions in paper form with the Commission.

At the request of the Commission staff, today we are filing the public version electronically using the ETFS system.

Yours truly,

Steven E. McPherson
