ACCESS SERVICE

8. Miscellaneous Services (Cont'd)

8.16 Universal Service Fund Charge

The Universal Service Fund (USF) charge provides for affordable local telephone service for all customers and provides a discount to schools, libraries and low-income families. The USF charge, as shown in this section of the tariff, shall be assessed to customers that are billed end user common line charges. The USF charge will not be assessed to Lifeline customers.

The USF charge will also be assessed on services ordered from Sections 7 (Special Access), 18 (Advanced Communications Networks) or 20 (Optical Networking) of this tariff by end user customers. The USF charge will be determined by multiplying a USF Surcharge factor of .066827 by the end user customer's monthly billing (I) account level interstate charges for these services.
