Description & Justification

South Central Telephone Association
Tariff F.C.C. No. 1
Transmittal No. 8
December 17, 2001

The revenue requirement shifted from local switching to the common line category is \$77,014 due to the required line port reallocation. The revenue requirement shifted from the transport interconnection charge (TIC) to the common line category is \$0 due to the required TIC reallocation. As per the Order, the amounts to be shifted for both the TIC and line port were coordinated with NECA. Both parties agreed to the above amounts. Hence, this tariff filing was completed on a revenue neutral basis.
