Re: Access Tariff Filing (amended)
Winterhaven Telephone Company Tariff FCC No. 2

Initially, Winterhaven Telephone Company filed supporting documents as “confidential” with Transmittal 9 on December 17, 2001. After further review of FCC rules regarding confidential material, Winterhaven Telephone Company found that the supporting documents did not qualify for confidential treatment. Therefore, the supporting documentation filed with Transmittal 9 should be made available for public inspection.

In the event there are questions concerning this amended transmittal, please contact me at the address and/or phone number noted above.

Very truly yours,
