9. Digital Subscriber Line Services (Cont'd)9.1 DSL Services Discount Pricing Arrangement (Cont'd)9.1.2 Term Plan

(T)

(A) Description

(N)

The Term Plan provides the customer with reduced rates based on the length of the customer's term commitment and its selected pricing option. The Term Plan is available for terms of one or three years with a choice of two pricing options. The Telephone Company will establish a Term Plan for each Serving Wire Center (SWC) based on the customer's order notifying the Telephone Company which ADSL-equipped SWC(s) the customer wants included in the plan(s) and its selected term commitment and pricing option for each SWC. An Access Order Charge may apply for each order to establish the initial Term Plan(s).

When the customer subscribes to a Term Plan, all in-service ADSL Service lines provided out of and subsequently installed at the included SWC will be billed the rates and charges specified in Section 17.4.8(C), following, for the length of the term commitment. In addition to the applicable ADSL Line Charges, the customer will be billed a recurring monthly Term Plan Charge for each SWC included in a Term Plan, as specified in Section 17.4.8(C), following, based on its selected pricing option. If the Telephone Company decreases the rates specified in Section 17.4.8(C), following, during the term of a commitment period, the decreased rates will automatically be applied for the remainder of the current commitment period.

An Access Order Charge will not apply to any election made by the customer at the end of the Term Plan.

A Term Plan is subject to payment for early termination as described in (D), following.

(B) Upgrades in Term Plan

A customer may terminate a Term Plan without the application of a termination liability charge when the customer replaces its original Term Plan commitment with a new Term Plan commitment provided the length and pricing option of the new Term Plan commitment is equal to or greater than the length and pricing option of the original Term Plan commitment. An Access Order Charge will not apply when the customer replaces an existing Term Plan with a new Term Plan commitment under this provision.
