Eighth Revised Page 4

This filing extends and expands a current ADSL promotional offering that is offered by Iowa Telecom. This ADSL promotion is described in further detail in the attached Description

and Justification, and is addressed in the cost support that Iowa Telecom is submitting with this transmittal as Confidential Exhibit 1.

A Request for Confidential Treatment, including a proposed Protective Order, is also enclosed with this transmittal. Pursuant to Section 0.459 of the Commission's Rules, 47 C.F.R. § 0.459, Iowa Telecom is seeking confidential protection for the cost support data it is submitting in Confidential Exhibit 1. As discussed in this Request, Iowa Telecom does not object to limited disclosure of the material in Confidential Exhibit 1 to interested persons, provided that such disclosure takes place pursuant to a standard Commission-approved confidentiality agreement, such as the one Iowa Telecom is including in the proposed Protective Order.

This tariff publication is being filed electronically. The statutory processing fee in the form of a personal check made payable to the Federal Communications Commission in the amount of \$655.00 is being hand-delivered today to the Federal Communications Commission (Tariff Filings, P.O. Box 358150, Pittsburgh, Pennsylvania 15251-5150) along with the original transmittal letter and FCC Form 159.

Acknowledgement and date of receipt of this filing is requested. A duplicate copy of this letter is provided for this purpose.
