

Description & Justification

With this filing, Cincinnati Bell Telephone (CBT) proposes several changes to its FCC No. 35 - Access Services tariff.

In Section 7 - Special Access, CBT adds STS-1 channel options to its MercNet 45 service offering. Also in Section 7 - Special Access, CBT clarifies its Discount Commitment Plan (DCP) termination charge tariff language and corrects USOC errors for OC-3, OC-12 and OC-48 Service mileage.

Finally, in Section 13 - Additional Engineering, Additional Labor and Miscellaneous Services, CBT clarifies its Service Rearrangement tariff language.
