SBC Advanced Solutions, Inc. Application No. 12

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Attention: Common Carrier Bureau, Request for Special Permission

Dear Ms. Dortch:

Pursuant to Sections 61.152 and 61.153 of the Commission's rules, SBC Advanced Solutions, Inc. (ASI) respectfully requests special permission to file revisions to its Tariff F.C.C. No. 1. ASI requests waivers of Sections 61.58 and 61.59 of the Commission's rules.

On September 23, 2002 in Transmittal No. 11, ASI made a filing in Tariff F.C.C. No. 1 to introduce restructured Asynchronous Transfer Mode (ATM) and Frame Relay Services and create vintage service sections for the existing ATM and Frame Relay Services established pursuant to sections 4.1 through 4.4 and 5.1 through 5.4 of the tariff, respectively. The filing also made modifications to various other sections of the tariff.

On October 4, 2002 in Transmittal No. 12, ASI made a filing, by Supplement, to defer the effective date of this material from October 8, 2002 to October 22, 2002.

On October 18, 2002 in Transmittal No. 13, ASI made a filing, by Supplement, to again defer the effective date of this material from October 22, 2002 to October 29, 2002.

With this filing ASI seeks, at Staff's request, a waiver of Section 61.58 to further defer the effective date of this material from October 29, 2002 to November 19, 2002. It is ASI's understanding that the extension is requested for the sole purpose of providing notice to customers of the pendency of the tariff filing. It is ASI's further understanding that the extension is not for the purpose of soliciting additional comments on the tariff filing.

A waiver of Section 61.59 is requested to permit revisions to tariff material that has not yet become effective.

In accordance with Section 61.153(b), the original Application Letter, the Federal Communications Commission Form 159 and the filing fee have been submitted to a courier service for delivery to the Treasury Department lockbox located at the Mellon Bank in Pittsburgh, Pennsylvania.

In accordance with Section 61.153(a) and (c), the appropriate illustrative tariff pages are hereby delivered to the Secretary, Federal Communications Commission and the Chief, Tariff and Pricing Analysis Branch. These actions have been committed on the date established as the filed date as reflected above. Acknowledgment and date of receipt of this application are requested. A duplicate letter is attached for this purpose.

The filing fee was transmitted electronically to Mellon Bank and the electronic audit code is shown on the accompanying Form 159. Acknowledgment and date of receipt of this Application are requested. A duplicate letter is attached for this purpose. All correspondence and inquiries concerning this application should be addressed to Debbie Clemens, Associate Director – Federal Regulatory, at (202) 326-8882, 1401 I Street, NW, Suite 400, Washington, D.C. 20005.
