ATTENTION: WIRELINE COMPETITION BUREAU

Dear Secretary:

Citizens Telecommunications Companies ("Citizens") submits this application for special permission to request waiver of the requirements of Sections 61.58 and 61.59 of the Federal Communications Commission's rules in order to file tariff revisions on not less than one days' notice to modify language which is scheduled to take effect October 31, 2002.

On October 16, 2002, Citizens filed Transmittal No. 127 changing the downstream speed of ADSL Class R2 to a range, reflecting a long term plan to upgrade this product from 384Kbps to 1.0 Mbps. The Commission's Staff has expressed concern that the tariff language as filed did not indicate where the higher speed is available. Citizens seeks the above-requested waivers to file tariff language addressing Staff's concerns.

In accordance with the Commission's fee filing requirements, the original of this Application No. 48, (without revised tariff material), together with a completed FCC Form 159 and a check payable to the Federal Communications Commission in the amount of six hundred thirty dollars (\$655.00), has been forwarded to the designated office of the Mellon Bank in Pittsburgh, Pennsylvania. Please acknowledge receipt of this filing by affixing an appropriate notation on the duplicate of this Transmittal furnished herewith for that purpose and return the same in the enclosed self-addressed envelope.
