Application No. 8

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
Washington, D.C. 20554

Attention: Wireline Competition Bureau

On December 19, 2002 Nevada Bell Telephone Company (NBTC) issued Application No. 7 via the Federal Communication Commission's (F.C.C.'s) Electronic Tariff Filing System (ETFS). Two files were issued, the Letter of Application No. 7 and the associated illustrative tariff pages. The ETFS receipt lists both files but for unknown ETFS systems reasons the Application Letter did not appear as having been filed.

With this application, NBTC is re-sending the Application No. 7 letter along with a copy of the ETFS receipt as proof that both files were submitted.

This Application letter is being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

All correspondence and inquiries concerning this application should be addressed to Debra L. Clemens, Associate Director-Federal Regulatory, (202) 326-8882, 1401 I Street, N.W., Suite 1100, Washington, D.C. 20005.

Sincerely,

A handwritten signature in black ink that reads "Patrick R. Doherty". The signature is written in a cursive style with a large, stylized "P" and "D".
