(3) ADSL Plus and ADSL Performance Plus Limited Promotion

(N)

During the period April 26, 2003, through July 26, 2003, unless sooner cancelled or changed, a promotion will be offered to end user customers that subscribe to or upgrade to an ADSL Plus (256 Kbps down/128 Kbps up) or ADSL Performance Plus (768 Kbps down/512 Kbps up) service level package. The installation charge of \$75 will be waived for such customers. End user customers that agree to sign a 6-month contract will receive the ADSL Performance Plus service level package for a monthly rate of \$30. Existing customers that upgrade from an ADSL Basic, Plus or Performance service level package to a ADSL Performance Plus service level package and agree to sign a 6 month contract will also receive the ADSL Performance Plus for a monthly rate of \$30. The \$6.00 software change charge to upgrade their service will be waived. The upgrade will be allowed provided the ADSL channel interface and the CL remain the same. If the customer requests the discontinuance of the ADSL Performance Plus service level package prior to the expiration date of the 6 month contract, termination liability charges will apply. The customer will be billed 50% of any remaining portion of the contract. This promotion is available on service orders placed during the promotional period, with service scheduled to begin within 15 days of the order date.
