This filing is being made by Qwest in its Tariff F.C.C. No. 1, Section 8, Advanced Communications Networks to offer a promotion for ATM, Local Area Network (LAN) Switching Service (LSS) and Frame Relay Service (FRS). Under the terms of this promotion, Qwest will waive the nonrecurring charges for customers who purchase ATM, FRS and LSS with term plans of 36-months or greater. This promotion will be in effect from May 5, 2003 through August 1, 2003.

Qwest is offering this promotion to stimulate demand. As a result of this promotion Qwest estimates that demand for these Services will increase as follows: 24 ATM Services, 1,254 Frame Relay Services and 3 LSS Services. Qwest expects a total increase in revenue of approximately \$4,986,000 for the first twelve months.

Qwest is also changing the language to Call Completion in Section 9, Directory Assistance Service. This language change expands the scope of the service by making the service available to Interexchange Carriers with *or without* Release to Pivot capability. There are currently no customers or revenues impacted by this change.

Supporting information discussed under Sections 61.38 and 61.49 of the Commission's Rules is, to the extent required, included in this transmittal letter.
