Dear Ms. Dortch:

The accompanying revised tariff material issued by TXU Communications Company, (TXU) (FRN #0003-7319-16), and bearing F.C.C. No. 1, effective May 16, 2002 is sent to you in compliance with the requirements for the Communication Act of 1934, as amended.

The purpose of this filing is to implement a waiver of the nonrecurring service order and installation charges for TXU's ADSL SpeedLink Service during the period from May 16, 2003 through July 31, 2003. Also included is a revised tariff page for TXU's SPNP service to reflect a change to the footnote at the bottom of that page to correct an error in the dates listed which did not match the effective date of the tariff.

As required by Section 61.32(b) of the Rules, the original of this transmittal letter, FCC form 159, and the Commission's filing fee of six hundred and ninety-five dollars (\$695.00) for tariff filings, is being filed this date with the Mellon Bank in Pittsburgh, Pennsylvania.

Any questions regarding this filing should be directed to me at facsimile number (214) 774-3240 or at the service address and number/email given below.

Respectfully Submitted,
