With this filing, BellSouth Telecommunications, Inc. proposes to recover the cost associated with special construction necessary to provide Modular Video Transport service from the customer's location at 1766 Canal Boulevard, Thibodaux, Louisiana to the serving Central Office. Special Construction is required because facilities are not available to meet the Customer's request. The Telephone Company must construct new facilities consisting of 500 feet of underground fiber cable and 500 feet of buried fiber cable between the customer's location and the serving Central Office. The Telephone Company has no other planned use for the facilities requested.
