Marlene H. Dortch, Secretary

ATTN: Wireline Competition Bureau

Dear Ms. Dortch:

The accompanying revised tariff material issued by TXU Communications Company, (TXU) (FRN #0003-7319-16), and bearing F.C.C. No. 1, effective June 27, 2002 is sent to you in compliance with the requirements for the Communication Act of 1934, as amended.

On May 1, 2003, in Transmittal No. 15, TXU made a filing with the Commission to implement the promotional waiver of NRC charges for its ADSL SpeedLink service. At that time, TXU submitted its tariff pages without the appropriate footer information regarding the tariff issue and effective dates at the bottom of the submitted pages.

The appropriate revised tariff pages are included with this filing as a separate attachment.

As required by Section 61.32(b) of the Rules, the original of this transmittal letter, FCC form 159, and the Commission's filing fee of six hundred and ninety-five dollars (\$695.00) for tariff filings, is being filed this date with the Mellon Bank in Pittsburgh, Pennsylvania.

Any questions regarding this filing should be directed to me at facsimile number (214) 774-3240 or at the service address and number/email given below.

Respectfully Submitted,
