Application No. 1

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
Washington, D.C. 20554

Attention: Wireline Competition Bureau

This application for special permission requests waiver of the requirements of Section 61.58 of Part 61 of the Commission's Rules in connection with the cancellation of South Central Telephone Association, Inc. – Kansas's (South Central) Tariff FCC No. 1. South Central believes that a grant of the waiver is in the public interest and requests that the waiver be granted as specified below:

South Central will become an issuing carrier in National Exchange Carrier Association (NECA) tariff FCC No. 5 and will participate in the NECA tariff for the provision of its access services effective July 1, 2003. Accordingly, South Central is seeking special permission herein to file a tariff supplement to cancel its existing Tariff FCC No. 1, coincident with the aforementioned effective date of July 1, 2003.

A waiver of Section 61.58 is requested to allow these proposed revisions to become effective, on not less than 10 days notice, effective July 1, 2003. An illustrative tariff page is attached for your review.

The original letter of application, along with FCC Form 159 and filing fees in the amount \$695, is concurrently being delivered to the Lockbox Shiftsupervisor-Mellon Bank, pursuant to Section 61.32 (b) of the Commission's Rules.

All correspondence and inquiries in connection with this filing should be addressed to me at 1465 Kelly Johnson Blvd., Suite 200, Colorado Springs, CO 80920.

Sincerely,
