## ACCESS SERVICE

### 7 - Special Access (a.k.a. BellSouth SPA) Service (Cont'd)

#### 7.4 Rate Regulations (Cont'd)

##### 7.4.29 BellSouth ADSL Service (Cont'd)

- (C) For customer-selected VC data rates specified in 7.2.17(C)(1), (2), and (8), customers will be allowed an initial period of 180 days beginning with establishment of the first billing account, to attain a combined quantity of VCs at data rates specified in 7.2.17(C)(1) through (8) and Section 28.1.9(A)(1)(a) through (d) that is equal to or greater than the minimum number of VCs as specified in 7.4.29(A) on billing accounts across the region. During this initial 180-day period, customers will be billed an amount equal to the number of VCs on their billing accounts across the region multiplied by the appropriate VC monthly recurring rate. (C)

Upon completion of the 180-day period, a monthly review will be conducted of quantities of VCs specified in 7.2.17(C)(1) through (8) and Section 28.1.9(A)(1)(a) through (d) that are associated with each customer's billing accounts across the region. Each month, a customer account not meeting the minimum quantity of VCs specified in 7.4.29(A) will be charged an amount equal to the difference between the minimum quantity of VCs as specified in 7.4.29(A) and the customer's combined quantity of VCs at data rates specified in 7.2.17(C)(1) through (8) and Section 28.1.9(A)(1)(a) through (d), multiplied by the rate specified in 7.5.21(A)(1)(a). This charge is in addition to the normal monthly rates equal to the number of VCs actually attained on their billing accounts across the region, multiplied by the appropriate VC monthly recurring rate. (C)
