

BELLSOUTH TELECOMMUNICATIONS, INC.

DESCRIPTION AND JUSTIFICATION

TRANSMITTAL NO. 734

INTRODUCTION

With this filing BellSouth Telecommunications, Inc. (hereinafter "BellSouth") is revising the F.C.C. Tariff No. 1 to introduce an arrangement for a Program Manager for FAA Network Setup in Section 10, Special Federal Government Access Services.

Transmittal No. 734 is scheduled to become effective on August 1, 2003.

SERVICE DESCRIPTION

The Program Manager for FAA Network Setup provides customers the capability to have dedicated BellSouth support for use in the establishment of new FAA transport network. The Program Manager for FAA Network Setup will perform work functions such as assisting in security background checks for Telephone Company personnel needing access to FAA sites, overseeing on-site implementation planning at FAA locations, coordination and verifying diversity and latency compliance of transport services.
