## ACCESS SERVICE

4. End User Access Service (Cont'd)4.8 Lifeline Assistance Plan Jurisdictions

As set forth in 4.6(J) preceding, in the following state jurisdictions of Cincinnati Bell Telephone Company's customers, the End User Common Line Charge shall be reduced by the percent indicated for the lifeline assistance plans ordered by the respective state utility commissions:

<u>Jurisdiction</u>	<u>% Reduction</u>	<u>Remarks</u>
Ohio	100%	Subscribers eligible under the state approved lifeline plans would have their end user common line charge waived for the number of months it takes to equal the amount of the state provided benefit

4.9 Local Number Portability (LNP)

(C)

Local Number Portability is the ability for a subscriber to retain, at the same location, existing telecommunication numbers when switching from one telecommunications carrier to another. The FCC has authorized an end user surcharge to recover the costs of providing this capability. This surcharge will be in effect for five (5) years beginning February 1, 1999.

ACCESS SERVICE

4. End User Access Service (Cont'd)

4.10 Universal Service Fund (USF) Charge

The USF end user charge is designed to recover all Telephone Company contributions to federally mandated universal support mechanisms. Federal USF end-user charges will not apply to end-users as described in 4.8 preceding.

(C)

The USF recovery charge is computed by first summing end-user monthly interstate charges (End-User Common Line Charge, LNP End-User Charge, Presubscribed Interstate Carrier Charge, and Interstate IntraLATA Toll charge). This sum is multiplied by the FCC's quarterly USF contribution factor, as set below to yield the End-User monthly USF charges.

ACCESS SERVICE

8. Billing Name and Address (BNA) Service (Cont'd)

8.4 Obligations of the Customer

The customer shall order BNA through the established Telephone Company CARE procedures, as amended or revised. (C)

The customer shall accord proprietary treatment to listings. Anyone acquiring BNA access from the Telephone Company must use BNA only for billing and collecting and it may not be used for marketing purposes. Customers are prohibited from disclosing BNA except to governmental law enforcement agencies, authorized billing and collection agents and as described above.

8.5 Rate Regulations

For each customer BNA request, indicated through the CARE procedure, the rate set forth in 8.6 following applies. The charge applies for all inquiries including but not limited to record not found, duplicate request, invalid request, and invalid information.

The minimum charge for BNA service usage during a month is \$50.00 (C)  
 For example:

1. A customer submits 3 BNA requests in a given month (3 x \$0.97 = \$2.91). The customer would pay the minimum charge of \$50.00.
2. A customer submits 112 BNA requests in a given month. The monthly charge would be \$99.16. ((100 x \$.97) + (12 x \$.18)) = \$99.16. The minimum charge would not be assessed since the per BNA cost is greater than \$50.00.

If BNA service is not used during the month, no charges are assessed. (C)
