This filing makes corrections to errors that were inadvertently filed under Transmittal No. 384. Transmittal No. 384, which was issued on November 24, 2003 and became effective December 9, 2003, consolidated the rate pages for End User Access Service in order to group similar rate elements together and reduce the number of tariff pages required to list all the End User Access Service rate elements. Transmittal No. 384 was an administrative filing and did not involve any rate level changes. Inadvertently, the highest revision of several tariff pages were not used, which resulted in erroneous rates being included in the filing. This filing corrects those errors.

Supporting material is not required to make this filing.

This transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$695.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically over ETFS as a proprietary document.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the F.C.C. Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this transmittal on behalf of issuing carriers with the following FRNs:
